

MINI BAR RESTOCKING CART

The Mini Bar Restocking Cart allows you to safely hold, transport and organize all your mini bar restocking supplies. Pull out drawers and tilt-out bins securely lock. Its polymer construction won't rust, corrode, dent, chip, flake or peel. The smooth stain-resistant surface, with rounded corners, makes cleaning easy.

Maneuverable:

- Four (4) 5" (127mm) diameter casters (2 directional, 2 with brake) provide easy maneuverability, control and stability.

Storage Capacity:

- Recessed side storage areas hold three (3) tilt-out bins on the right and one (1) tilt-out bin and wastebasket on the left side.
- A total of 27" (686mm) of drawer space provides ample room for beverage cans, juice and water bottles.

Secured Supplies:

- Key lock on right side protects valuable supplies in all drawers and right side tilt-out bins from loss or pilferage.

Durable Construction:

- Sturdy polymer construction is extremely easy to clean, and is resistant to cracking, peeling or chipping.
- Full extension drawers have self-closing ball bearing slides to provide easy access to all supplies.
- Spacious work surface provides a smooth writing surface or ample space for other tasks.

Attractive:

- The clean modern design complements any environment.

Sanitary:

- Smooth, rounded corners and seamless cart surfaces simplify cleaning.

Microban® Antimicrobial Product Protection:

- Advanced polymer construction has built-in Microban® Antimicrobial Product Protection which inhibits the growth of bacteria, mold, mildew, and fungi that cause odors, stains, and product degradation.
